State-owned Assets Supervision and Administration Commission of the State Council

GZCQ (2006) No. 809

Approval of Issues Concerning Equity Division Reform of IRICO Display Devices Company Limited

To IRICO Group Corporation:

Your company's Application for Equity Division Reform of IRICO Display Devices Company Limited (CTB [2006] No. 92) and Application for Adjustment of Equity Division Reform Scheme of IRICO Display Devices Company Limited (CTB [2006] No. 141) have been received. After research, the following reply is hereby made on the relevant issues regarding the management of state-owned equity in the equity division reform of IRICO Display Devices Company Limited (hereinafter referred to as "the joint-stock company"):

I. According to the equity division reform scheme of the joint-stock company submitted by your company, after the completion of the equity division reform, the total share capital of the joint-stock company is 421,418,800 shares. Of that total, shareholders of state-owned shares held 189,789,399 state-owned shares, which accounted for 45.06% of the total share capital (see Appendix 1 and Appendix 2 for the equity structure). The above shares have the right of circulation.

II. Shareholders of state-owned shares are requested to properly exercise the stock ownership rights and safeguard state-owned rights and interests in accordance with the laws and regulations. The shareholder of state-owned shares who advances shares shall promptly urge the party to whom the shares were advanced repay the advanced shares in accordance with the relevant provisions of the securities regulatory authority.

**State-owned Assets Supervision and Administration Commission of
the State Council**

GZPJ [2006] No.751

Rely Regarding the 2005 Final Accounts of IRICO Group Corporation

To IRICO Group Corporation:

Your company's Report on the Submission of the 2005 Final Accounts of IRICO Group Corporation and Related Documents (CTZC [2006] No. 90) has been received. In accordance with the provisions of Measures for the Administration of Reports of Central Enterprises on Final Accounts (SASAC Decree No. 5) and related regulations, we conducted an audit of your company's 2005 final accounts, and our reply is as follows:

I. The consolidation scope of your company's 2005 final accounts includes the headquarters and 27 level-three or above sub-companies. Baker Tilly China Certified Public Accountants audited the consolidated statements of the final accounts and issued a standard unqualified opinion audit report.

II. Following the audit, at the end of 2005, your company's total assets were RMB 7,989,674,000, the total liabilities were RMB 3,005,148,000, the minority shareholders' equity was RMB 1,356,797,000, the owners' equity was RMB 3,627,729,000 (of which: the paid-in capital was RMB 1,001,847,000, the capital reserve was RMB 668,901,000, the surplus reserve was RMB 1,649,106,000 and the undistributed profit was RMB 356,405,000), and the asset-liability ratio was 37.6%.

Your company's income from main business in 2005 was RMB 5,039,256,000, the cost of sales was RMB 4,672,715,000, the periodic expenses were RMB 785,290,000, the total profit was RMB

-907,543,000, and the net profit was RMB -540,702,000.

III. Following the audit, your company realized a total profit of RMB -907,543,000 in 2005. Considering the influence of Hainan IRICO Hot Spring Hotel' liquidation of the previous year's potential loss of RMB 19,904,000, it is confirmed that your company's annual profit in 2005 was RMB -887,639,000, the profit margin on net assets (including minority equity / profit and loss) was -16.57%, and the turnover rate of current assets was 1.30 times.

VI. At the beginning of the year, your company's state-owned capital and equity were RMB 4,183,641,000. At the end of the year, the state-owned capital and equity were RMB 3,627,729,000. After deducting the objective increase factor of RMB 14,470,000, it is confirmed that the preservation and appreciation rate of your company's state-owned capital in 2005 was 86.4%, which was at a poor level in the electronics industry.

V. The economic benefit indicator for linking work to performance of your company is realized profits and taxes, and it is confirmed that the realized profits and taxes linked to the scope of work efficiency in 2005 was RMB -249,173,000.

VI. Relevant business management issues reflected in the 2005 final accounts of your company and handling suggestions

(I) Your company's sales revenue in 2005 dropped sharply, huge losses were incurred, and the loss increased. Your company is required to carefully analyze the causes of losses, actively adjust the product mix, increase research and development efforts, strengthen cost control, take effective measures to improve product profitability, and reverse the loss situation.

(II) The current liabilities of your company accounted for 99.1% of the total liabilities, and the short-term solvency indicators such as current ratio, quick ratio, etc. decreased year-on-year. Your company is required to do a good job in connecting investment scale with cash flow to ensure smooth turnover of capital and prevent financial risks.

(III) Your company's investment management is weak and the loss is large. Your company is required to strengthen investment management, actively clean up the investment outside its principal industry, and take measures to transform and use idle assets (such as K line), and continuously improve the efficiency of asset operations.

(IV) Under the circumstance that your company had a sharp drop in sales revenue in 2005 and

-2-

003

operated at a loss, the headquarters' labor costs have increased significantly. As reflected in the final accounts, the average salary at your company headquarters was RMB 122,000 and the welfare fee per person was RMB 17,000, which represents year-on-year increases of 40.2% and 209.1%, respectively. Your company is required to further strengthen management and reasonably control the growth of labor costs.

(V) Your company headquarters was still engaged in stock investment business in 2005. Your company is required to strengthen supervision and take effective measures to effectively prevent investment risks.

(VI) There was a big difference between your company's financial budget and actual completion in 2005. Your company is required to strengthen budget management and continuously raise the level of budget preparation.

In 2005, facing fierce market competition, your company has achieved positive results in aspects such as expanding in overseas markets, digesting backlogs of inventory, cleaning up receivables and external guarantees, and so on. Your company is required to conscientiously summarize and analyze the management work experience of the 2005 final accounts, strengthen the financial management of the company and its subsidiaries at all levels, standardize the accounting, strengthen cost control, improve the internal control system, and raise the operating efficiency of state-owned capital. At the same time, in accordance with the requirements of Opinions on Economic Responsibility Audit Results of IRICO Group Corporation (GZPJ [2006] No. 495), your company is required to earnestly implement the relevant issues, actively take effective measures, and do a good job in the rectification work.

国资评价[2006]751 号

关于彩虹集团公司 2005 年度财务决算的批复

彩虹集团公司：

你公司《关于报送彩虹集团公司 2005 年度财务决算报表及相关文件的报告》(彩团资财[2006]90 号)收悉。根据《中央企业财务决算报告管理办法》(国资委令第 5 号)等有关规定，我们对你公司 2005 年度财务决算报告进行了审核，现批复如下：

一、你公司 2005 年度财务决算报表合并范围包括总部及三级以上子企业共 27 户，财务决算合并报表经天职国际会计师事务所审计并出具了标准无保留意见审计报告。

二、经审核，你公司 2005 年末资产总额 798,967.4 万元，负债总额 300,514.8 万元，少数股东权益 135,679.7 万元，所有者权益 362,772.9 万元(其中：实收资本 100,184.7 万元、资本公积 66,890.1 万元、盈余公积 164,910.6 万元、未分配利润 35,640.5 万元)，资产负债率为 37.6%。

你公司 2005 年度主营业务收入 503,925.6 万元，主营业务成本 467,271.5 万元，期间费用 78,529.0 万元，利润总额

— 1 —

由 扫描全能王 扫描创建

—90,754.3万元,净利润—54,070.2万元。

三、经审核,你公司2005年实现利润总额—90,754.3万元,考虑海南彩虹温泉大酒店消化以前年度潜亏1,990.4万元影响,确认你公司2005年度业绩利润—88,763.9万元,净资产收益率(含少数股东权益/损益)—16.57%,流动资产周转率1.30次。

四、你公司年初国有资本及权益418,364.1万元,年末国有资本及权益362,772.9万元。扣除客观增加因素1,447.0万元后,确认你公司2005年度国有资本保值增值率为86.4%,处于电子行业较差水平。

五、你公司工效挂钩效益指标为实现利税,确认你公司2005年度工效挂钩范围实现利税—24,917.3万元。

六、关于你公司2005年度财务决算反映的有关经营管理问题及处理意见

(一)你公司2005年度销售收入大幅下滑,出现巨额亏损,且亏损面扩大。请你公司认真分析亏损原因,积极调整产品结构,加大研发力度,加强成本费用控制,采取有效措施提高产品盈利水平,扭转亏损局面。

(二)你公司流动负债占负债总额的比重达99.1%,且流动比率、速动比率等短期偿债能力指标同比下降。请你公司做好投资规模与现金流的衔接,保证资金周转通畅,防范财务风险。

(三)你公司投资管理薄弱,且损失较大。请你公司加大投资管理力度,积极清理非主业投资,并采取措施改造利用闲置资产(如K线),不断提高资产运营效率。

(四)你公司在2005年度销售收入大幅下降、经营亏损的情况下,总部人工成本大幅增长。据财务决算反映,你公司总部人均工

资 12.2 万元、人均福利费 1.7 万元，分别同比增长 40.2%、209.1%。请你公司进一步加强管理，合理控制人工成本的增长。

(五)你公司总部 2005 年仍然从事股票投资业务，请你公司加强监管，采取有效措施切实防范投资风险。

(六)你公司 2005 年度财务预算与实际完成情况差异较大，请你公司加强预算管理工作，不断提高预算编制水平。

你公司 2005 年度面对激烈的市场竞争，在拓展海外市场、消化积压存货、清理应收账款和对外担保等方面取得了积极成效。请你公司认真总结和分析 2005 年度财务预、决算管理工作经验，强化集团公司及各级子企业财务管理，规范会计核算，加强成本费用控制，完善内部控制制度，提高国有资本运营效益。同时，请你公司按照我委《关于彩虹集团公司经济责任审计结果的意见》(国资评价[2006]495 号)的要求，认真落实有关问题，积极采取有效措施，切实做好整改工作。

GZPJ (2007) No. 799

**Regarding the Response to the 2006
Financial Statements of IRICO Group Corporation**

IRICO Group Corporation

We have received your company's *Report on the Submission of the 2006 Financial Statements and Related Documents* (CTZC [2007] No. 81). In accordance with the provisions of the *Administrative Measures on the Reporting of Financial Statements of Central Enterprises* (SASAC Decree No. 5) and related regulations, we conducted an audit on your company's 2006 financial statements, and our response is as follows:

I. The scope of consolidation of your company's 2006 financial statements includes the headquarters and 28 level-three or above subsidiaries. Baker Tilly China Certified Public Accountants audited the consolidated statements of financial accounts and issued a standard unqualified opinion audit report.

II. The audit has found that at the end of 2006, your company's total assets were RMB 8,291,979,000, total liabilities were RMB 2,791,275,000, minority shareholders' equity was RMB 1,702,167,000, owner's equity was RMB 3,798,537,000 (of which: paid-in capital was RMB 1,001,847,000, capital reserve was RMB 798,565,000, surplus reserve was RMB 1,649,106,000 and undistributed profit was RMB 424,725,000), and the asset-liability ratio was 33.7%.

-1-

[illegible stamp]

002

In 2006, your company's main operating income was RMB 5,084,953,000, main business costs were RMB 4,319,307,000, period costs were RMB 650,427,000, total profit was RMB 99,685,000, and net profit was RMB 119,374,000.

III. The audit has found that your company's undistributed profit at the beginning of the unanticipated liabilities adjustment period due to a lost lawsuit in 2005 was RMB 41,008,000, and the performance profit in 2006 will be deducted accordingly. It has been confirmed that your company's performance profit in 2006 was RMB 58,677,000, net assets income rate was 2.49%, technology investment ratio was 1.60%, and turnover rate of current assets was 1.49 times.

IV. At the beginning of the year, your company's state-owned capital and equity totaled RMB 3,587,390,000. At the end of the year, the state-owned capital and equity totaled RMB 3,798,540,000. After deducting the objective increase factor of RMB 129,660,000 and objective reduction factor of RMB 5,560,000, it has been confirmed that the preservation and appreciation rate of your company's state-owned capital in 2006 was 102.4%, which was average for the electronics industry.

V. In accordance with the *Interim Measures for the Administration of Comprehensive Performance Evaluation of Central Enterprises* (SASAC Decree No. 14) and the implementation rules, your company's financial performance evaluation score for 2006 was 77.40, which was a good score for the electronics industry. Among this, the company's profitability, debt risk and business growth were all at a good level in the industry, and its asset quality was in line with the industry average.

VI. The performance indicators linked to work efficiency of your company is the total amount of profits and taxes. It has been confirmed that the total profits and taxes linked to work efficiency in 2006 was RMB 285,181,000, realizing an increase in profits and taxes of RMB 1,045,081,000.

VI. Relevant business management issues reflected in the financial statements of your company in 2006 and suggestions for handling:

(I) Your company succeeded in turning losses into gains in 2006, but nine of its subsidiaries,

003

including level-three or above subsidiaries such as Xianyang IRICO Digital Display Co., Ltd., still suffered serious losses totaling RMB 220,000,000. Your company must continue to strengthen clean-up and rectification efforts for the loss-making enterprises, reduce sources of loss, and promote the improvement of the group's overall efficiency.

(II) The accounting policy of your company stipulates that the long-term equity investment balance shall be amortized over a period of five years. However, the new balance of equity investment in 2006 will be amortized over 10 years, resulting in inconsistent accounting policies during the year; the portions of long-term equity investment with a shareholding ratio over 20% will not be calculated according to the equity method. In accordance with the provisions of the national financial accounting system and accounting methods of your company, your company must further standardize its accounting work, and any matters involving changes to major accounting policies shall be reported to our commission for filing according to relevant requirements.

(III) Your company's affiliated Xi'an IRICO Electric Industrial Co., Ltd. and Shaanxi Taihua Real Estate Development Co., Ltd. have signed and performed land transfer contracts and related supplementary agreements in 1997 and 2005 respectively, but no relevant account processing has been carried out. Your company must carry out the account processing in a timely manner in accordance with the state financial accounting regulations and status of contract performance.

(IV) The total budgeted profit of your company reported in 2006 was RMB -130,000,000, and the actual completion was RMB 99,685,000, a deviation rate of 173.3%. Your company must further strengthen budget management and improve budget preparation methods and quality.

Your company must carefully summarize and analyze the management work experience and existing problems in the 2006 financial statements, proactively take effective measures, strengthen financial management of the company and its subsidiaries at all levels, standardize accounting processes, strengthen cost control, improve internal control systems, and improve the operating efficiency of state-owned capital.

State-owned Assets Supervision and Administration Commission of the State Council

GZFP (2004) No. 561

Official Response to the Overall Plan of IRICO Group Corporation for Separation, Reorganization and Division of Main and Auxiliary Industries and the Placement of Surplus Personnel

IRICO Group Corporation:

We have received your company's *Request for the Overall Plan of IRICO Group Corporation for Separation, Reorganization and Division of Main and Auxiliary Industries* (CTB [2004] No. 97). After joint review by the State Asset Regulatory Commission, Ministry of Finance and Ministry of Labor and Social Security, we hereby issue the following response:

I. We agree in principle with the overall plan and scheme for the separation, reorganization and division of main and auxiliary industries and the placement of surplus personnel formulated by your company in accordance with the *Notice for Printing and Issuing Implementing Measures of Large and Medium-Sized State-Owned Enterprises in Their Separation of Main and Auxiliary Industries and the Placement of Surplus Personnel* (GJMQG [2002] No. 859, hereinafter referred to as the "No. 859 Document") and other documents issued by the State Economic and Trade Commission and seven other departments.

The corporate reorganization plan of your company involving the use of non-primary assets, idle assets and effective assets for closing bankrupt enterprises (hereinafter referred to as the "three types of assets") following the separation of main and auxiliary industries meets the requirements of the No. 859 document. China National Electronic Devices Corp. and two other units (see attachment for name list) are included in the scope of this reorganization and will be reorganized as non-state-owned legal person holding enterprises. In this reorganization, your company will place 304 surplus personnel, including 243 people joining non-state-owned legal person holding enterprises and 61 people entering into early retirement.

-1-

II. Please explain the status of the three types of assets of units included in this reorganization item by item according to the classification standards for the three types of assets determined by your company; the placement methods, wage levels and economic compensation standards for relocated personnel shall be carefully verified and implemented strictly in accordance with relevant state regulations.

III. Please report the implementation results of this reorganization and division to State Asset Regulatory Commission, Ministry of Finance, Ministry of Labor and Social Security for their records in accordance with requirements of the No. 859 Document and the *Notice on National Enterprises' Reporting and Submitting Basic Contents and Related Requirements on Overall Plan for Separation, Reorganization & Division of Main and Auxiliary Industries* (GJMTQG [2003] No. 27). The regulations on employee placement, treatment of labor relations and continuation of social insurance shall be reported to the provincial Ministry of Labor and Social Security where the enterprises are located for review and documentation.

IV. During the course of this reorganization, your company shall be diligent in asset inventory, audit and evaluation, inheritance of credits and debts, employee placement and treatment of labor relations in accordance with requirements of the No. 859 Document and relevant laws and regulations. In addition, your company shall transfer relevant assets and register property rights and industrial and commercial registration changes in a timely manner following the completion of evaluation and documentation, approval of changes to state-owned capital, and other procedures in accordance with regulations.

V. The reorganized enterprise may apply to local competent tax authorities for tax exemptions with the approval and other relevant identification certificates and other documents stipulated by tax authorities.

VI. Your company shall be responsible for the separation of main and auxiliary industries and careful organization and implementation of related work strictly in accordance with regulations of the No. 859 Document and related documents. Your company shall provide the reorganized enterprise with improved guidance on distributing and explaining policies so that it can operate and grow as one. In addition, your company shall standardize operations in accordance with laws, safeguard the legitimate rights and interests of the state, enterprises and employees, and prevent the loss of state assets. Over the course of the reorganization, your company shall take into full consideration the ability of the country, enterprise and employees to bearing losses so as to ensure the stability of the enterprise and greater society. Matters relating to the separation and relocation of employees shall be considered and approved by the workers' congress. During the implementation of the overall plan, matters involving the shareholdings of operator groups and workers, cost management of personnel going into early retirement and payments to retired personnel shall be done in strict accordance with relevant provisions of the financial system.

关于彩虹集团公司主辅分离辅业改制 分流安置富余人员总体方案的批复

彩虹集团公司：

你公司《关于〈彩虹集团公司主辅分离改制分流总体方案〉的请示》(彩团办[2004]97号)收悉。经国资委、财政部、劳动保障部共同审核，现批复如下：

一、原则同意你公司按照原国家经贸委等8部门《印发〈关于国有大中型企业主辅分离辅业改制分流安置富余人员的实施办法〉的通知》(国经贸企改[2002]859号，以下简称859号文件)等有关文件精神制定的主辅分离、改制分流的总体规划和方案。

你公司利用非主业资产、闲置资产和关闭破产企业的有效资产(以下简称三类资产)实施主辅分离后进行的改制方案符合859号文件要求，本次将中国电子器件工业总公司等3个单位(名单见附件)纳入改制范围，全部改制为非国有法人控股企业。你公司本次共分流安置富余人员304人，其中进入非国有法人控股企业243人，内部退养61人。

二、请根据你公司确定的三类资产划分标准,对本次拟改制单位的三类资产状况逐项认定;对其分流安置人员的方式、工资水平、经济补偿金的标准要认真核实,严格按照国家有关规定实施。

三、请你公司按照 859 号文件和《关于中央企业报送主辅分离改制分流总体方案基本内容和有关要求的通知》(国经贸厅企改[2003]27 号)要求,及时将本次改制分流的实施结果报国资委、财政部、劳动保障部备案,其中有关职工安置、劳动关系处理及社会保险接续情况报企业所在地省级劳动保障部门审核备案。

四、请你公司按照 859 号文件和相关法律法规的要求,做好改制过程中资产清查、审计和评估,债权债务承继,职工安置和劳动关系处理等工作,并按规定履行评估备案、国有资本变动审批等手续后,及时办理相关资产转移、产权登记,变更工商登记等。

五、改制企业可凭此批复和有关认定证明以及税务机关规定的其他文件,向当地主管税务机关提出相关免税申请。

六、你公司要加强对主辅分离工作的领导,切实负起责任,严格按照 859 号文件及相关文件的规定认真组织实施。对改制企业要加强指导,做好政策的宣传和解释,成熟一个、操作一个。要依法规范操作,维护国家、企业、职工的合法权益,防止国有资产流失。在改制过程中要充分考虑国家、企业和职工的承受能力,确保企业和社会的稳定。涉及职工分流安置的有关事项,要经职工代表大会审议通过。在总体方案分步实施的过程中,涉及经营者群体持股、职工持股、内退人员的费用管理以及对离退休人员有关费
